If you know someone that has not renewed, give them a call.

Ask your neighbor or co-worker if they are a veteran and if they are ask them to join the American Legion.

No other organization has the programs at the local, state and national level.

People want to belong to an organization that does good work.

That's The American Legion.

The American Legion, Department of Texas is excited to announce that we will conduct training on the Fundamentals of Post Operations.

Anyone wishing to attend is encouraged to complete the American Legion Extension Institute Course (ALEI) prior to attending as it will provide you with basic information about The American Legion
